How do I place a security freeze on my Equifax credit file?

The easiest and fastest way to place a security freeze on your Equifax credit file is via our online process found at the following link.

<https://www.freeze.equifax.com>

If you choose, you may also request a security freeze by calling our automated line at 1-800-685-1111 (NY residents please call 1-800-349-9960) or submitted your request in writing to:

Equifax Security Freeze
P.O. Box 105788
Atlanta, Georgia 30348

Please be sure to include the following:

- Your complete name including any suffix (e.g. JR., Sr., etc)
- Complete address
- Social Security Number
- Date of Birth
- Payment (if applicable, please check [What are the security freeze fees in my state?](#)). We accept checks, money orders, or a major credit card for the appropriate fees. For VISA, MasterCard, Discover or American Express payment, please include your name as it appears on the card, the card number and the expiration date.

For your protection, please also send some proof of identification. See "[Acceptable Forms of Identification for Verification](#)".

In order to add a security freeze to your credit file at Experian or TransUnion you will need to contact them directly.

Experian: www.experian.com

TransUnion: www.transunion.com

Must do this for every person and all three Credit Bureaus!
