

SULLIVAN COUNTY MODEL PUBLIC RECORDS POLICY
[Effective July 1, 2017]

Pursuant to Tenn. Code Ann. § 10-7-503(g), the following Public Records Policy for Sullivan County, Tennessee [hereinafter “Sullivan County”] is hereby adopted by the County Commission for Sullivan County to provide economical and efficient access to public records as provided under the Tennessee Public Records Act (“TPRA”) in Tenn. Code Ann. § 10-7-501, et seq.

The TPRA provides that all state, county and municipal records shall, at all times during business hours, which for public hospitals shall be during the business hours of their administrative offices, be open for personal inspection by any citizen of this state, and those in charge of the records shall not refuse such right of inspection to any citizen, unless otherwise provided by state law. *See* Tenn. Code Ann. § 10-7-503(a)(2)(A). Accordingly, the public records of Sullivan County are presumed to be open for inspection unless otherwise provided by law.

The TPRA does not require Records Custodians to compile information or create or recreate records that do not exist.

Personnel of Sullivan County shall timely and efficiently provide access and assistance to persons requesting to view or receive copies of public records. No provisions of this Policy shall be used to hinder access to open public records. However, the integrity and organization of public records, as well as the efficient and safe operation of Sullivan County, shall be protected as provided by current law. Concerns about this Policy should be addressed to the appropriate Public Records Request Coordinator (“PRRC”) for Sullivan County or to the Tennessee Office of Open Records Counsel (“OORC”).

This Policy is available for inspection and duplication in the office of the Sullivan County Mayor and is posted online at “sullivancountyttn.gov”. This Policy shall be reviewed by Sullivan County as needed.

This Policy shall be applied consistently throughout the various offices, departments, and/or divisions of Sullivan County except for the following offices, departments, or divisions of Sullivan County which have separate public records policies:

- a. Sullivan County Department of Education
- b. Sullivan County District Attorney
- c. Sullivan County Election Commission
- d. Sullivan County Public Defenders Office (2nd Judicial District Public Defenders Office)

Public Records requests must be presented to the appropriate PRRC as identified in Section III, A.3.

4. When appropriate or necessary, the PRRC(s) shall make recommendations to the Sullivan County Commission for improvement or changes to this Policy.

B. Records Custodian

1. Upon receiving a Public Records request, a Records Custodian shall promptly make requested Public Records available in accordance with Tenn. Code Ann. § 10-7-503. If the Records Custodian is uncertain whether an applicable exemption applies, the custodian may consult with the PRRC, counsel, or the OORC.
2. If not practicable to promptly provide requested records because additional time is necessary to determine whether the requested records exist; to search for, retrieve, or otherwise gain access to records; to determine whether the records are open; to redact records; or for other similar reasons, then a Records Custodian shall, within seven (7) business days from the Records Custodian's receipt of the request, send the Requestor a completed Public Records Request Response Form which is included hereinafter.
3. If a Records Custodian denies a Public Records request, he or she shall deny the request in writing as provided in Section III.A.2.b using the Public Records Request Response Form which is included hereinafter.
4. If a Records Custodian reasonably determines production of records should be segmented because the records request is for a large volume of records, or additional time is necessary to prepare the records for access, the Records Custodian shall use the Public Records Request Response Form (included hereinafter) to notify the Requestor that production of the records will be in segments and that a records production schedule will be provided as expeditiously as practicable. If appropriate, the Records Custodian should contact the Requestor to see if the request can be narrowed.
5. If a Records Custodian discovers records responsive to a records request were omitted, the Records Custodian should contact the Requestor concerning the omission and produce the records as quickly as practicable.

C. Redaction

1. If a record contains confidential information or information that is not open for public inspection, the Records Custodian shall prepare a redacted copy prior to providing access. If questions arise concerning redaction, the Records Custodian should coordinate with counsel or other appropriate parties regarding review and redaction of records. The Records Custodian and the PRRC may also consult with the OORC.

2. Whenever a redacted record is provided, a Records Custodian should provide the Requestor with the basis for redaction. The basis given for redaction shall be general in nature and not disclose confidential information.

IV. Inspection of Records

- A. There shall be no charge for inspection of Public Records required by law to be open for inspection.
- B. The location for inspection of records within the offices and departments of Sullivan County shall be determined by either the PRRC or the Records Custodian.
- C. An appointment is required for inspection of open Public Records. The Requestor shall contact the appropriate PRRC to schedule such inspection. The appropriate PRRC is identified in Section III, A.3. Inspections shall occur between the hours of 9:00 am and 4:30 pm Monday through Friday except for official Sullivan County holidays or days during which offices containing relevant Public Records are closed. Under reasonable circumstances, the PRRC or a Records Custodian may require inspection of records at an alternate location.

V. Copies of Records

- A. A Records Custodian shall promptly respond to a Public Records request for copies in the most economic and efficient manner practicable.
- B. Copies will be available for pickup at a location specified by the Records Custodian.
- C. Upon payment for postage, copies will be delivered to the Requestor's home address by the United States Postal Service. Upon request, copies that are stored by Sullivan County in electronic format may be delivered to the Requestor by email or copied to a Sullivan County supplied thumb drive (subject to payment of costs) which thumb drive may be picked up by the Requestor or mailed (upon payment of postage) to the Requestor by United States Postal Service.
- D. A Requestor will not be allowed to make copies of records with personal equipment.

VI. Fees and Charges and Procedures for Billing and Payment

- A. Fees and charges for copies of Public Records should not be used to hinder access to Public Records.
- B. Records Custodians shall provide Requestors with an itemized estimate of the charges prior to producing copies of records and may require pre-payment of such charges before producing requested records.
- C. When fees for copies and labor do not exceed Five Dollars (\$5.00), the fees may be waived. Fees associated with aggregated records requests will not be waived.
- D. Fees and charges for copies are as follows:

1. \$0.15 per page for letter and legal-size black and white copies.
 2. \$0.50 per page for letter and legal-size color copies.
 3. Other: County offices with specific statutory copy or document charges may charge according to those statutes, e.g., Court Clerks per *T.C.A.* §8-21-401, County Clerks per *T.C.A.* §8-21-701, Register of Deeds per *T.C.A.* §8-21-1001.
 4. Labor when time exceeds one (1) hour.
 - i A Records Custodian shall utilize the most cost-efficient method of producing requested records. Accordingly, a Records Custodian should strive to utilize current employees at the lowest practicable hourly wage to fulfill Public Records requests for copies; however, if appropriate, at the sole discretion of the Records Custodian, employees at a higher hourly wage may be used in order to reduce the amount of time and effort necessary to produce the records.
 - ii In calculating labor charges, a Records Custodian should determine the total amount of labor for each employee and subtract one hour from the labor of the highest paid employee(s). The Records Custodian should then multiply the amount of labor for each employee by each employee's hourly wage to calculate the total amount of labor charges associated with the request.
 - iii Labor is the time (rounded to the nearest quarter hour) actually spent and reasonably necessary to produce requested records, including the time spent locating, retrieving, reviewing, redacting, and reproducing records.
 - iv The hourly wage of an employee is based upon the hourly wage of the employee and does not include benefits. If an employee is not paid on an hourly basis, the hourly wage shall be determined by dividing the employee's annual salary by the required hours to be worked per week multiplied by 52 weeks. For example, an employee who is expected to work a 37.5 hour workweek and receives \$39,000 in salary on an annual basis will be deemed to be paid Twenty Dollars (\$20) per hour.
 5. If an outside vendor is used, the actual costs assessed by the vendor.
 6. A Records Custodian may charge its actual out-of-pocket costs for flash drives or similar storage devices on which electronic copies are provided. When providing electronic records, a Records Custodian may charge per-page costs only when paper copies that did not already exist are required to be produced in responding to the request, such as when a record must be printed in order that information may be redacted.
- E. No duplication costs will be charged for requests for less than One Dollar (\$1.00) or for requests of five (5) pages or less.
- F. Subject to the discretion of the Public Records Request Coordinator, payment may be made in cash, by personal check, or by credit card payable to Sullivan County; however, form of payment is to be determined at the sole discretion of the Public Records Request

Coordinator for each Sullivan County department. Payment may be presented to the Records Custodian.

G. Payment in advance will be required when costs are estimated to exceed Twenty-Five Dollars (\$25.00).

H. Aggregation of Frequent and Multiple Requests.

1. Sullivan County will aggregate record requests when more than four (4) requests are received within a calendar month either from a single individual or a group of individuals deemed working in concert.
2. Records requests will be aggregated at the county level, i.e., requests will be aggregated for all departments and offices of Sullivan County government.
3. The PRRC is responsible for making the determination that a group of individuals are working in concert. The PRRC or the Records Custodian shall inform the individuals that they have been deemed to be working in concert.
4. Disputes regarding aggregation shall be brought to the OORC (Office of Open Records Counsel).
