Agriculture Extension Office

CLOSED TO PUBLIC ACCESS

For the safety of our clients and staff, the County Extension offices statewide will be closed to public access starting Friday, March 20 until further notice.

Following the CDC guidelines, we have suspended all face to face educational events and group meetings through April 30th.

Extension staff are still working and are available by phone or email. We encourage you to continue to contact us for educational information and assistance just as you always have.

To request information or assistance, please call **423-574-1919** or you can reach our staff via email as listed below.
