COVID-19 and Observation Knob Park

OFFICE

Out of an abundance of caution and care to our staff and the community, our office will be closed to the public and current seasonal guests beginning March 17, 2020. This will be in effect until at least May 2020. A specific date will be released at a later time once we re-evaluate the situation. Reservations are currently open for May-October. If you are wanting to make a reservation, please call 423-878-1881. This option will allow us to serve you from the convenience of your home. Online reservations will be temporarily unavailable until we release an opening day. Our office will still be staffed in order to answer calls and maintain online services, but to remain compliant with the recommended guidelines from the CDC, we will not open for person to person contact until May 2020. Maintenance will remain working following strict social distancing guidelines in order to maintain the grounds. Park management will continue to monitor the COVID-19 situation based on guidelines provided by the CDC and our Local Health Director, and we will provide further details on the status of our office when available.

PARK AND CAMPGROUND

March 24, 2020: The park and campground will remain closed until at least May 2020 to the public and current seasonal guests. Current seasonal guests will receive notification by email or phone with more information. If you do not receive a notice, please call our office at (423) 878-1881. If you have already reserved a daily site for April, a member of our team will be in contact with you with

more information. All site lotteries have been cancelled until further notice. Neither the public nor current seasonal guests will be permitted at this time.

RAMP

For information pertaining to the ramp, please check the “Ramp Status” on the Home page of the park’s website.
